

Amaretto Truffle Bar (individual serving)

Avi's Specialty Cake Bars are single serve individually chocolate coated and wrapped cakes in a "bar" form. Easy to handle – eat right out of the wrapper or plate and cut into mini-slices. What makes the bar unique is using our specialty layered cakes to create an individual serving sealed in chocolate for freshness and ease of handling. Forget the "Cake Slice" with its "thick at one end thin at the other" hard to package shape. The bars are compact and very high quality in both taste and presentation. **Amaretto Truffle Bar:** Three layers of almond torte (made with fresh almond paste) filled with chocolate amaretto cream and coated with dark chocolate.
