

**Chocolate Volcano (Individual Dessert)**

We developed the secret to moistness in our volcano cakes. Individual cakes are baked in 3” bunt pans. When warmed 20 sec. in the microwave prior to serving, the center fillings literally “flow” out of the cake when cut into. They are packed 20units/tray, 3 trays/case and are available in the following flavors: **Chocolate** – a rich super moist devils food cake center filled and topped with chocolate ganache.
